## Features

---

### Take your entertainment with you

The compact design of the Sony® NWZ-E460 series Walkman® MP3 Player allows you enjoy your favorite audio and video files, look at personal photos or simply listen to the built in FM radio.

### Lightning-fast LCD display

The 2" QVGA (320x240) high-brightness screen, color LCD provides fast, rich viewing of photos, videos, and album artwork.

### Rechargeable battery built-in

The built-in lithium ion battery provides up to 50 hours of audio playback or 10 hours of video playback per charge.<sup>1</sup>

### Easy Content Transfer

The Media Go™ application for Windows® allows you to transfer your favorite music, videos, playlists, and photos to your Walkman® easily. You can drag and drop the data from iTunes® for Windows, Windows Media Player or Windows Explorer.

### Solid sound

Exclusive Sony® Clear Audio Technologies - Clear Stereo, Clear Bass Audio Technologies and Digital Sound Enhancement Engine - restore the clarity and depth of digitally compressed music.

### Synchronized Lyric Feature

Load .lrc lyric files for your favorite songs and set the lyrics to scroll by in sync to the music.

### Built-in Voice Recording

The integrated microphone and adjustable bit rate makes the voice recording function easy to use.

### Bookmarking with Multiple Playlists

Users can bookmark songs and add them to 5 configurable playlists.

## Create Channels with SensMe™ feature

SensMe™ tone analysis keeps your music in tune with your mood. SensMe software application automatically groups your music into channels based on beats-per-minute, making listening and managing your content even simpler.

## Language Learning Function

Learning a new language is made easier thanks to the adjustable playback speed control, A-B repeat and rewind functions.

## Keep track of time

The NWZ-E460 Walkman® player has a built in clock function with alarm and sleep timer.

## Big Storage Capacity

Streamlined for portability, the NWZ-E464 can store hours of music, videos and personal photos thanks to the internal 8 GB memory<sup>2</sup>.

## Open, charge and listen

Everything you needs is in the box including USB cable and soft hybrid silicone EX headphones.
